## **NEWSLETTER w/s 19th July 2021**

### **A message from our Head Teacher Mr Unsworth**

*As we end this year, it is difficult not to think about all that has happened – the pandemic, the bubble closures, remote learning, staff absences and more recently an increase in pupils being sent home for PCR tests. Throughout all of this, our school community has been wonderfully supportive, and our heartfelt thanks go to you all for your kindness and understanding.*

*Our pupils – your children – have behaved so responsibly when they have been in school, sticking to the rules for social distancing of the 'bubbles'. When they have had to learn from home, they have shown dedication and commitment to continuing their studies, and this has meant they have made more progress than we could have hoped for this year. They are all truly wonderful individuals, and we look forward to seeing what successes they can achieve in a less disrupted year next September.*

*As always, we thank God for the blessings we have been given during this very difficult year – although our school community has known sadness and loss, we have also known happiness and joy, success and achievement, hard work and determination. Our prayers will be with you and your families over the summer months.*

*We look forward to good weather in which we can enjoy God's creation. Stay safe, take care, and God bless.*

**Michael Unsworth**
