

St John's RC News

Week Ending 26th May 2023

We were delighted to learn from our School Governors that Mrs Campbell, our present Deputy Head, will be taking over as Head Teacher when Mr Unsworth leaves in December. After a lengthy and thorough recruitment process, the highest quality candidate was chosen for the position and as Mrs Campbell has been at St John's for many years, she already knows the school so well, she knows the parents and knows every single child. Your child receives the best education any school can offer and Mrs Campbell taking over the role, will ensure the high standards that we are already achieving, will continue.

We are thrilled and we wish Mrs Campbell the best of luck and blessings as she embarks on the next stage of her career whilst looking after St Johns children, their education, our families and our wonderful staff.

We hope you have a lovely Half Term break , two weeks ! Hopefully the weather will be good and everyone can have some fun. Its been a hard term—exams and lots of activities—so we all deserve a good rest. Look forward to seeing you back in school on Monday 12th June 2023
