

Year 3 homework

Autumn 2

Due in 16th December 2019

People settle in countries all over the world. Choose one you don't know much about and use a blank map of the world to show where it is. Research this country and write down some facts about it.

Design your own (realistic!) Anglo-Saxon coin. Look on http://www.bbc.co.uk/history/trail/conquest/wessex_kings/coins_intro.shtml for ideas and designs.

Prepare a poster for the final week of term including everything you know about the Anglo-Saxons. You will present this to the class and talk through the information presented on it. This will form the final lesson on Anglo-Saxons and the most creative ones will go on display in the corridor. They can be 2D or even 3D!

Create an information leaflet about our settlement, Rochdale! The leaflet needs to make people want to visit or move to Rochdale. Make sure it looks bright and colourful.

Explain how life in the Anglo-Saxon times was different to today.

Draw and colour a picture of an Anglo-Saxon. What is he/she wearing? (You will need to research this first).
