

St John's RC Primary School News

Week ending 1st April 2022

School hours

All children should be in school for 8.50am and collected at 3pm unless they are in After School Club.

Children arriving after 9am will be marked late and that mark will stay on their attendance record

Nursery Places

We are taking applications for Nursery Places for a September start. Please contact the office for more information

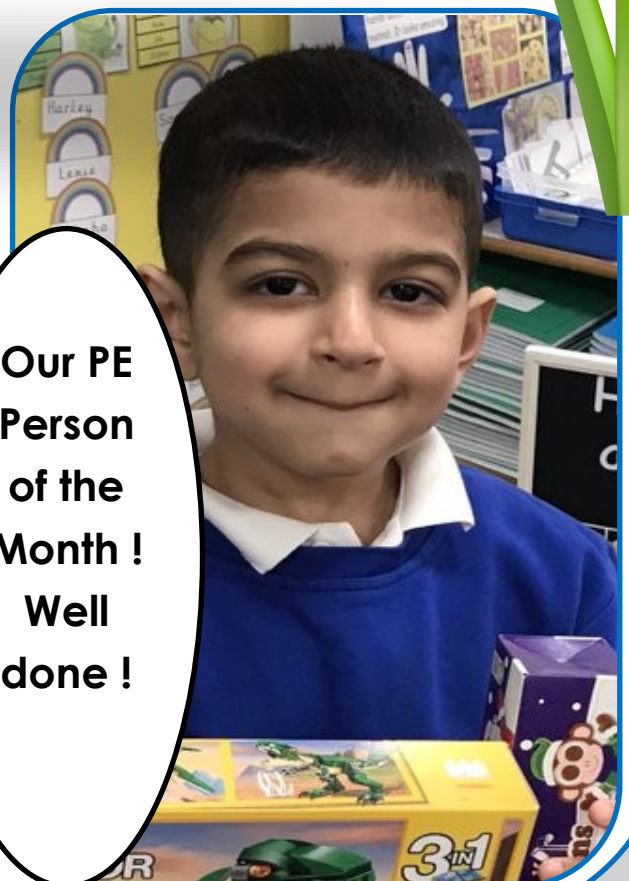

So proud of the children that represented the school at the Panathlon Bowling competition. All 6 competitors won a medal !

Spring has definitely arrived at St Johns

School finishes on Thursday 14th April for the Easter Holiday. School returns on Monday the 25th April.

Our PE Person of the Month !
Well done !

Punctuality

Important Information

Please can we remind all

parents that registration is 8.50am. We still have too many children who are arriving late for school. Children should be collected at 3pm, if you are late for your child, there is a Late Charge of £3 payable.

Dinner Money

All parents should now be registered on the School Grid. This will allow you to choose your child's school dinner with them and make payments. We encourage all parents to set up a Direct Debit. If you need any help with this please contact the school office.

Appointments

Please try to make routine appointments after school hours, if it proves impossible, an appointment card should be provided before your child is allowed out of school.

Absences

If your child is to be absent for any reason you need to let the school office know asap. There is the facility for you to leave a message on the answerphone if required.

Inhalers

If your child requires an inhaler, please ensure school has all the relevant information and equipment necessary to help your child if the need arises

Are your records up to date?

There are so many occasions where we try to contact parents/carers and the telephone number has changed. Please make sure you let school know of any changes in your contact details

School Building

Thank you for your patience whilst the School Office is undergoing building work. We are here.....just call us on 01706 647195 when you need us!

Thanks to Nature Ed for delivering a workshop in school. Learning all about seeds—whilst having a lot of fun !

Year 5 learning about rounding decimals during a Forest School lesson

Well done to our MiniStars Team who finished 2nd in the Sportland UPS Competition ! Fantastic
